

**Public Hearing**  
**Ohio Environmental Protection Agency**  
**Five-Year Rule Review of Ohio Administrative Code (OAC) Chapter 3745-113,**  
**Architectural and Industrial Maintenance (AIM) Coatings Rules**

Notice is hereby given that the Ohio Environmental Protection Agency (OEPA), Division of Air Pollution Control (DAPC) has prepared a review for Ohio's AIM Coatings Program contained in Ohio Administrative Code (OAC) Chapter 3745-113, "Architectural and Industrial Maintenance (AIM) Coatings." OEPA has completed a review of the rules in this chapter to fulfill the requirements of Ohio Revised Code 106.03 and 106.031 (5-year review). OEPA finds the rules remain necessary and are in need of amendments.

DAPC proposed amendments to OAC rules 3745-113-01, 3745-113-03, 3745-113-04, 3745-113-05, and 3745-113-06 are minor, such as correction of typos, fixes to formatting to conform with LSC conventions and updating referenced materials to the most current version. In addition, OEPA finds OAC rule 3745-113-02 remains necessary but without need of changes.

As part of the rule-making process, DAPC is required by Section 121.39 of the Ohio Revised Code to consult with interested parties affected by the rules before the Division formally adopts them. On June 21, 2018, these rules went out for a 30-day review by interested parties.

Pursuant to Section 119.03 of the Ohio Revised Code, a public hearing on these rule changes will be conducted on **Tuesday, November 13, 2018 at 10:30 AM** at OEPA, Lazarus Government Center, 50 W. Town Street, Suite 700, Columbus, Ohio. All visitors to OEPA must register at the Security desk in the lobby upon arrival. Please bring photo identification (such as a valid driver's license). For security reasons, visitor's are required to wear their badge at all times while in the building. Please arrive early to complete these procedures.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on November 13, 2018, will be considered by OEPA prior to final action on this rule. Written statements submitted after November 13, 2018, may be considered as time and circumstances permit, but will not be part of the official record of the hearing.

These rules are available on DAPC's Web page for electronic downloading. The URL is: <http://epa.ohio.gov/dapc/DAPCRules.aspx> and see the information under the "proposed rules" tab for Ohio's AIM Coatings Program Rules and OAC Chapter 3745-113.

Please submit your comments or suggestions to the following addresses. Persons submitting comments electronically are encouraged to follow-up with a hard copy via regular mail:
