

**3745-92-02 Financial assurance required.**

If the system for which an application is made under rule 3745-91-02 of the Administrative Code is a community water system which serves or will serve fewer than five hundred service connections, and the system is not owned and operated by a public entity, or a system regulated by the public utilities commission, evidence shall be submitted prior to approval under said rule showing the following:

- (A) That the owner or operator has provided financial assurance, in a form acceptable to the director, in the amount required by section 6109.08 of the Revised Code.
- (B) The name and location of the escrowee, which shall be a bank or other institution approved in writing by the director.
- (C) A copy of the financial assurance, the terms of which shall ensure compliance with the requirements of this chapter and section 6109.08 of the Revised Code.
