RECEIPT OF RENEWAL APPLICATION

On December 9, 2020, Ohio EPA received a Hazardous Waste Facility Installation and Operation Permit Application (Permit Application) from SES-R1, LLC doing business as Resource One (Resource One), U.S. EPA Identification Number OHR 000 200 097, for its facility located at 2000 Mote Drive, Covington, OH 45318. Resource One is a destination facility for automotive wastes. On February 26, 2018, Ohio EPA issued Resource One an Exemption from the requirement to obtain a Hazardous Waste Installation and Operation Permit in order to facilitate the recycling of air bags and air bag inflators which exhibit the hazardous characteristic of reactivity. This Permit Application was received in accordance with the orders specified in the Exemption. The purpose of the Permit Application is to issue a new Hazardous Waste Facility Installation and Operation Permit (Permit) to the Resource One facility for the storage, management, and treatment of automotive air bags and air bag inflators.

For the Permit Application to receive final approval, Ohio EPA must determine that the Permit Application is complete and meets appropriate standards and that the applicant has a history of compliance with relevant environmental laws and demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility.

As a precautionary response to COVID-19, Ohio EPA is currently operating with most of its staff working remotely. Due to this, Ohio EPA is unable to mail out a mailing list notification and is posting this notification electronically. For additional information concerning this notice, please contact Halee Smith of Ohio EPA at (614) 441-0261.

The Permit Application can be viewed online through Ohio EPA's public website at: <http://edocpub.epa.ohio.gov/publicportal/ViewDocument.aspx?docid=1483066> .

Questions to the facility regarding the Permit Application should be addressed to Sandy Baugh, Resource One, 2000 Mote Drive, Covington, Ohio 45318.
