Tracking universal waste shipments - standards for destination facilities.

(A) The owner or operator of a destination facility shall keep a record of each shipment of universal waste received at the facility. The record may take the form of a log, invoice, manifest, bill of lading, or other shipping document. The record for each shipment of universal waste received shall include all of the following information:

(1) The name and address of the universal waste handler, destination facility, or foreign shipper from whom the universal waste was sent.

(2) The quantity of each type of universal waste received (e.g., batteries, pesticides, mercury-containing equipment, lamps, aerosol containers, antifreeze, and paint and paint-related wastes).

(3) The date of receipt of the shipment of universal waste.

(B) The owner or operator of a destination facility shall retain the records described in paragraph (A) of this rule for at least three years after the date of receipt of a shipment of universal waste.
