PREAMBLE

It is agreed by the parties hereto as follows:

I. JURISDICTION

These Director's Final Findings and Orders (Orders) are issued to Ray Hatem II, dba Ray's Body Shop (Respondent) pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency (Ohio EPA) under Ohio Revised Code (ORC) §§ 3734.13 and 3745.01.

II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law. No change in ownership of Respondent or of the Facility shall in any way alter Respondent's obligations under these Orders.

III. DEFINITIONS

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3734. and the rules promulgated thereunder.
IV. FINDINGS

The Director of Ohio EPA has determined the following findings:

1. Respondent is a "person" as defined in ORC § 3734.01(G) and Ohio Administrative Code (OAC) rule 3745-50-10(A).

2. Respondent is the owner and operator of an auto body service facility located at 601 Pleasant Street, New Lexington, Perry County, Ohio 43764 (Facility).

3. At the Facility, Respondent generates "hazardous waste" as that term is defined by ORC § 3734.01(J) and OAC rules 3745-50-10(A) and 3745-51-03. Respondent is a conditionally exempt small quantity generator of hazardous waste. The hazardous waste generated by Respondent at the Facility includes hazardous waste paint solids generated from the Facility's solvent recycling unit (hazardous waste codes F003/F005). Respondent has not notified US EPA of its hazardous waste activity at the Facility, nor has Respondent received a US EPA hazardous waste generator identification number.

4. On December 9, 2002, Ohio EPA conducted a complaint investigation at the Facility. As a result of this investigation, Ohio EPA determined that Respondent had:

   a. Caused hazardous waste paint solids generated from the Facility's solvent recycling unit (hazardous waste codes F003/F005) to be transported for disposal to a facility not permitted to manage hazardous waste, in violation of ORC §3734.02(F); and

   b. Failed to evaluate the Facility's paint booth filters to determine if they were hazardous waste, in violation of OAC Rule 3745-52-11.

6. On February 27, 2007, Ohio EPA conducted an inspection at the Facility. As a result of the inspection, Ohio EPA once again determined that Respondent had, on more than one occasion, violated ORC §3734.02(F) by causing hazardous waste paint solids generated from the Facility's solvent recycling unit (hazardous waste codes F003/F005) to be transported to

Athens Hocking Reclamation Center, a facility not permitted to manage hazardous waste, where the waste was disposed.

8. The Director of Ohio EPA has determined that no further action is required of Respondent to abate those violations referenced in Finding No. 4. The waste paint filters listed in Finding No.4. have subsequently been identified as non-hazardous waste.

V. ORDERS

Respondent shall achieve compliance with Chapter 3734. of the ORC and the regulations promulgated thereunder according to the following compliance schedule:

1. Respondent shall pay to Ohio EPA the amount of $4,160.00 in settlement of Ohio EPA's claims for civil penalties, which may be assessed pursuant to ORC Chapter 3734. and which shall be deposited into the hazardous waste cleanup fund established pursuant to ORC § 3734.28, in accordance with the following schedule:

   a. Within 30 days after the effective date of these Orders, Respondent shall pay to Ohio EPA the amount of $2,080.00; and

   b. Within 180 days after the effective date of these Orders, Respondent shall pay to Ohio EPA the amount of $2,080.00.

Each of the payments above shall be made by official checks made payable to "Treasurer, State of Ohio." The official checks shall be submitted to Ohio EPA, Office of Fiscal Administration, Department L-2711, Columbus, Ohio 43260-2711, together with a letter identifying Respondent. A copy of each check shall be submitted in accordance with Section X. of these Orders.

VI. TERMINATION

Respondent's obligations under these Orders shall terminate upon Ohio EPA's receipt of the official checks required by Section V. Of these Orders.
VII. OTHER CLAIMS

Nothing in these Orders shall constitute or be construed as a release from any claim, cause of action or demand in law or equity against any person, firm, partnership or corporation, not a party to these Orders, for any liability arising from, or related to, the operation of Respondent's Facility.

VIII. OTHER APPLICABLE LAWS

All actions required to be taken pursuant to these Orders shall be undertaken in accordance with the requirements of all applicable local, state and federal laws and regulations. These Orders do not waive or compromise the applicability and enforcement of any other statutes or regulations applicable to Respondent.

IX. MODIFICATIONS
