ENVIRONMENTAL COVENANT

This Environmental Covenant is entered into by North American Roto Engravers, Inc ("Owner") and the Ohio Environmental Protection Agency ("Ohio EPA") pursuant to Ohio Revised Code ("ORC") §§ 5301.80 to 5301.92 for the purpose of subjecting the Property to the activity and use limitations set forth herein.

Whereas, Sun Chemical Corporation operated a water and solvent based ink manufacturing facility on the Property between April, 1996 and October, 1997 and had stored over one hundred 55-gallon containers of spent solvents and distilled solvents on the Property, and

Whereas, the implementation of appropriate use restrictions that restrict land use on the Property, specifically the area where Sun Chemical Corporation stored hazardous waste generated from the water and solvent based ink manufacturing processes between April, 1996 and October, 1997, is required to protect human health and the environment, based upon a human health risk assessment and an ecological risk assessment performed for the hazardous waste management unit addressed in the closure plan.
