

## Reference Lists and Charts

The following information is provided as guidance to helpful references that may be used when studying for the Ohio EPA certification exams. Ohio EPA has used these references to assist in the development of exam questions. It is not essential to purchase each of these references in order to pass the examination.

### Wastewater/Wastewater Collection

**Operation of Wastewater Treatment Plants, Manual of Practice - MOP 11.** Water Environment Federation. Water Environment Federation, 601 Wythe Street, Alexandria, Virginia, 22314-1994.

**Operation of Wastewater Treatment Plants - Volume I.** California State University, Office of Water Programs, 6000 J. Street, Sacramento, California 95819-6025.

**Operation of Wastewater Treatment Plants - Volume II.** California State University, Office of Water Programs, 6000 J. Street, Sacramento, California 95819-6025.

**Advanced Waste Treatment.** California State University, Office of Water Programs, 6000 J. Street, Sacramento, California 95819-6025.

**Standard Methods for the Examination of Water and Wastewater.** American Public Works Association, American Water Works Association, Water Environment Federation, 6666 West Quincy Avenue, Denver, Colorado 80235.

**Recommended Standards for Wastewater Facilities.** A Report of the Committee of the Great Lakes - Upper Mississippi River Board of State Public Health and Environmental Managers, Published by Health Research Inc., Health Education Service Division, P.O. Box 7126, Albany, N.Y. 12224.

**Operation and Maintenance of Wastewater Collection Systems – Vol. I.** California State University, Office of Water Programs, 6000 J. Street, Sacramento, California 95819-6025.

**Operation and Maintenance of Wastewater Collection Systems – Vol. II.** California State University, Office of Water Programs, 6000 J. Street, Sacramento, California 95819-6025.

### Ohio Revised Code and Ohio Administrative Code

IS-22 “**Are You Ready? An In-depth Guide to Citizen Preparedness**”, FEMA.  
<http://www.training.fema.gov/EMIWeb/IS/is22.asp>

**Protecting your Community’s Assets: A Guide for Small Wastewater Systems**, NETCSC, November 2002

**Utility Management:** California State University, Office of Water Programs, 6000 J. Street, Sacramento, California 95819-6025.

**Class A Training Manual:** Ohio EPA for the Ohio Wastewater Treatment Certification Exam, Division of Surface Water Compliance Assistance Unit, March 2015.

*Revised February 2022*
