INSTRUCTIONS

Each person desiring to operate a Used Oil Collection Center shall use this form to apply to the Division of Emergency Response and Revitalization's (DERR) Hazardous Waste Program for registration as required by Rule 3745-279-31 of the Ohio Administrative Code (OAC). Centers that collect used oil only from Do-It-Yourselfer persons or farmers, and not businesses, are not required to register. After a registration is processed, a confirmation will be returned to the center by DERR. The owner or operator of the center should notify DERR's Hazardous Waste Program in writing of any subsequent changes to the information submitted.

The Used Oil regulations are contained in OAC Chapter 3745-279. Questions about the regulations should be directed to DERR's Hazardous Waste Compliance and Inspection Support Unit (HWCIS) at (614) 644-2621. The regulations and this form are available on DERR's Hazardous Waste Web page at <http://epa.ohio.gov/derr/compliance>. Basic terminology definitions are listed below.

Definitions

Used Oil - any oil that has been refined from crude oil, or any synthetic oil, that has been used and as a result of that use, is contaminated by physical impurities.

Do-It-Yourselfer (DIY) - a person who generates used oil through household activities, including maintenance of personal vehicles.

Used Oil Collection Center - any site or facility registered with the State of Ohio to manage used oil and that accepts or aggregates and stores used oil collected from used oil generators who transport no more than 55 gallons per visit. Centers may also accept used oil from DIY persons or farmers.

For help in completing the form or to obtain a blank form by mail, call HWCIS at (614) 644-2621. Submittals can be faxed to (614) 728-5315 or emailed to Diana.Bammerlin@epa.ohio.gov but the original must also be sent to DERR using one of the addresses below.

Section 1 - Registration Type

Box A: Check the appropriate box for an Initial or a Subsequent Registration. If this is an Initial Registration, DMWM will assign an identification (ID) number to the center, which should be used on all future correspondence. If the form is to be used to submit information changes, check the Subsequent box, list the Center's ID number, and fill in the sections of the form which have changed since the last registration was submitted.

Box B: Check the applicable boxes which describe the types of used oil handlers that the center collects from.

Section 2 - Collection Center Identification

List the center's name, county, Street address, including City, State and Zip Code, County, Center's Mailing address, including City, State and Zip Code, Contact person, and phone number Including area code. If the mailing and location addresses are the same, write the word "Same" in place of the mailing address.

Section 3 - Owner Identification

List the owner's name, address, including City, State and Zip code, phone number with area code, and the date at which ownership began. If there are multiple owners, record these on a separate sheet of paper and submit it as an attachment.

Section 4 - Certification

The form must be signed by the company owner or his/her authorized representative.

After the form is completed and signed, make a photocopy for your records and email the form to Diana.Bammerlin@epa.ohio.gov; you must mail the original to one of the addresses listed above.
