10:15 2019 Annual Report

Please be prepared to discuss the draft of MMAC's 2019 Annual Report to Ohio's General Assembly.

10:45 Results of the 2019 Contamination Reduction Campaign

Ohio EPA will provide an overview of initial results from Ohio EPA's contamination reduction campaign.

11:15 Marysville Contamination Reduction Campaign

Jim Skora, Manager, GT Environmental, Inc. will provide an overview of the contamination reduction campaign the City of Marysville conducted in 2019.

11:45 Planning for the April Retreat

MMAC will be meeting on April 23, 2020 at the Highbanks Metropark. The purpose is to discuss potential changes to the goals of the state solid waste management plan. During the process of completing the 2020 State Plan, several council members expressed an interest in larger-scale changes to at least the goal that requires achieving a reduction and recycling rate (Goal 2). MMAC will discuss and initial plan for having that discussion.
