***Information for guests:***

Ohio EPA will be moderating the session and requests that guests participate as follows:

- 1) If you join the meeting using your computer, please mute your microphone prior to joining the meeting and remain muted throughout the meeting. If you do not want to be seen by other attendees, then you also need to turn off the camera on your computer.

If you want to address MMAC verbally, please first use the chat feature to tell us you want to speak. We will specifically address you verbally and then you will need to unmute yourself. This can be done by hitting the microphone icon within Microsoft Teams. We ask that you mute your microphone again when you are finished. Think of it as raising your hand during an in-person meeting as a courtesy to the MMAC members to be recognized prior to speaking.

- 2) If you are calling in, you will use \*6 to mute and unmute your phone. Please mute your phone upon entering the meeting and remain muted throughout the meeting.

Kevin Zacharyasz and Ernie Stall will monitor our email accounts. If you want to speak, please send us an email. We will specifically address you verbally and then you will need to unmute yourself (using \*6). We ask that you mute your phone again when you are finished. Again, think of it as raising your hand during an in-person meeting as a courtesy to the MMAC members to be recognized prior to speaking.

Kevin's email is [kevin.zacharyasz@epa.ohio.gov](mailto:kevin.zacharyasz@epa.ohio.gov) and Ernie's is [ernest.stall@epa.ohio.gov](mailto:ernest.stall@epa.ohio.gov).
