

Drop-off Anti-Contamination

Matthew Hittle
Division of Materials and Waste Management

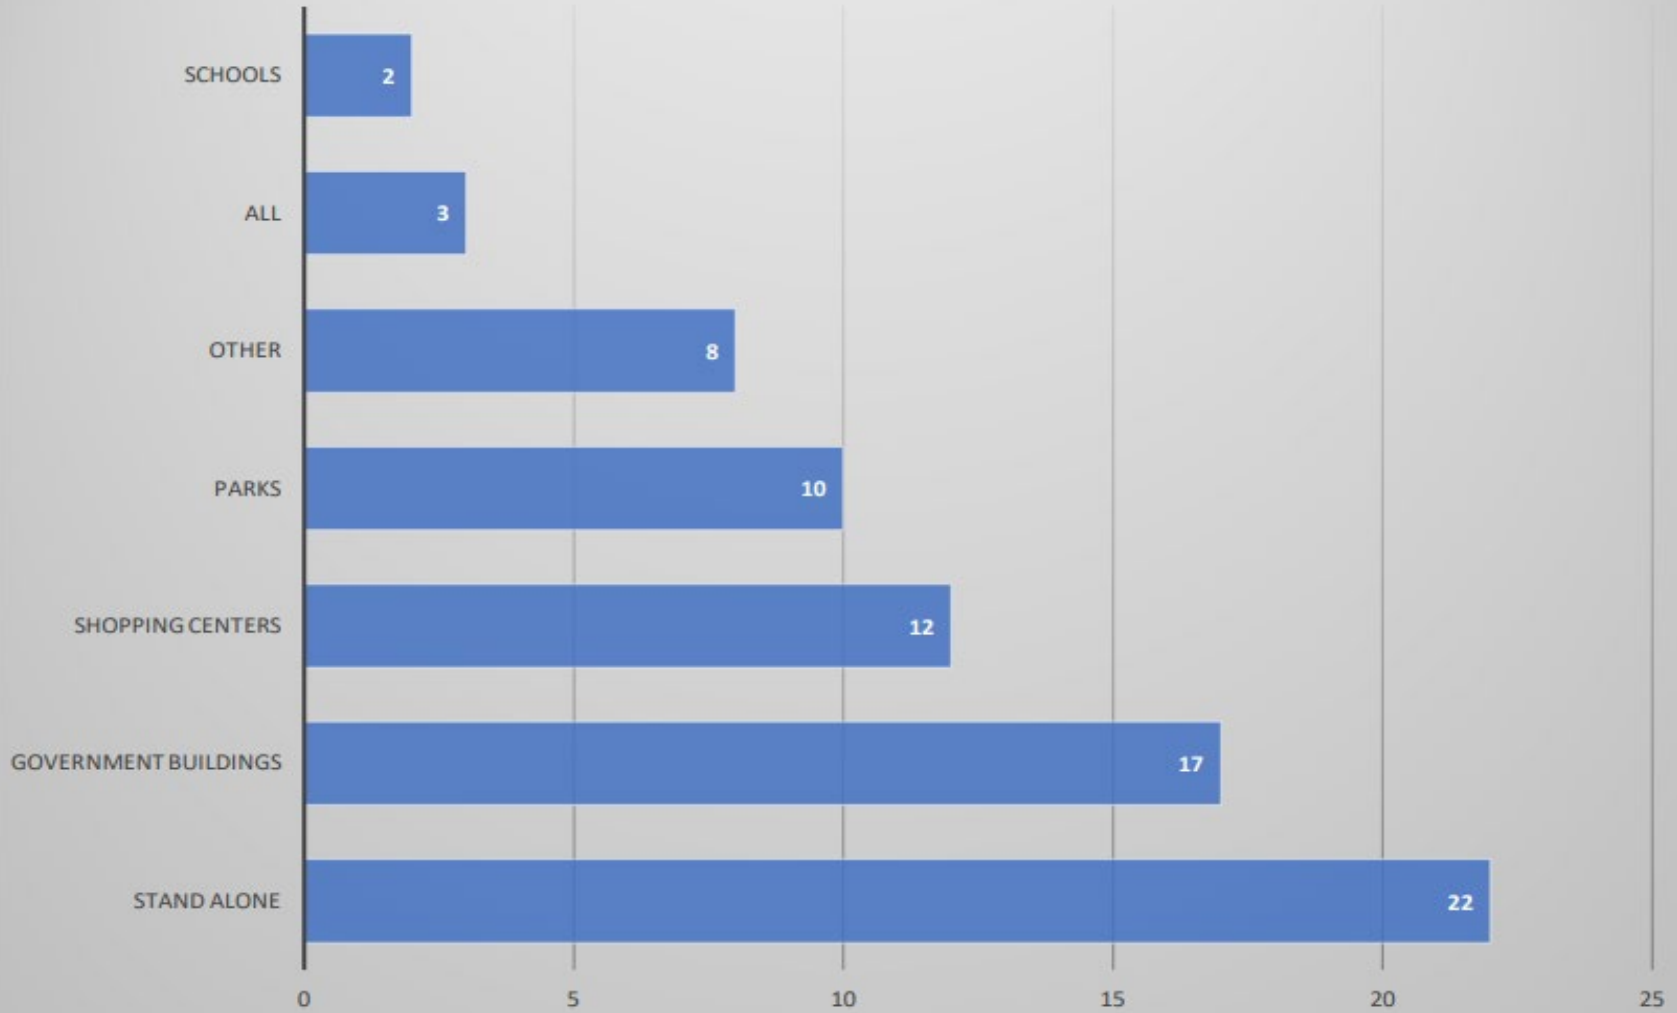

Impetus for Action

- Came out of our 2020 two-year strategic planning goals
 - The Recycling Partnership's Ohio efforts for curbside since 2019
 - Michigan implemented same, but included Drop-offs
- Show some love for rural recycling!!

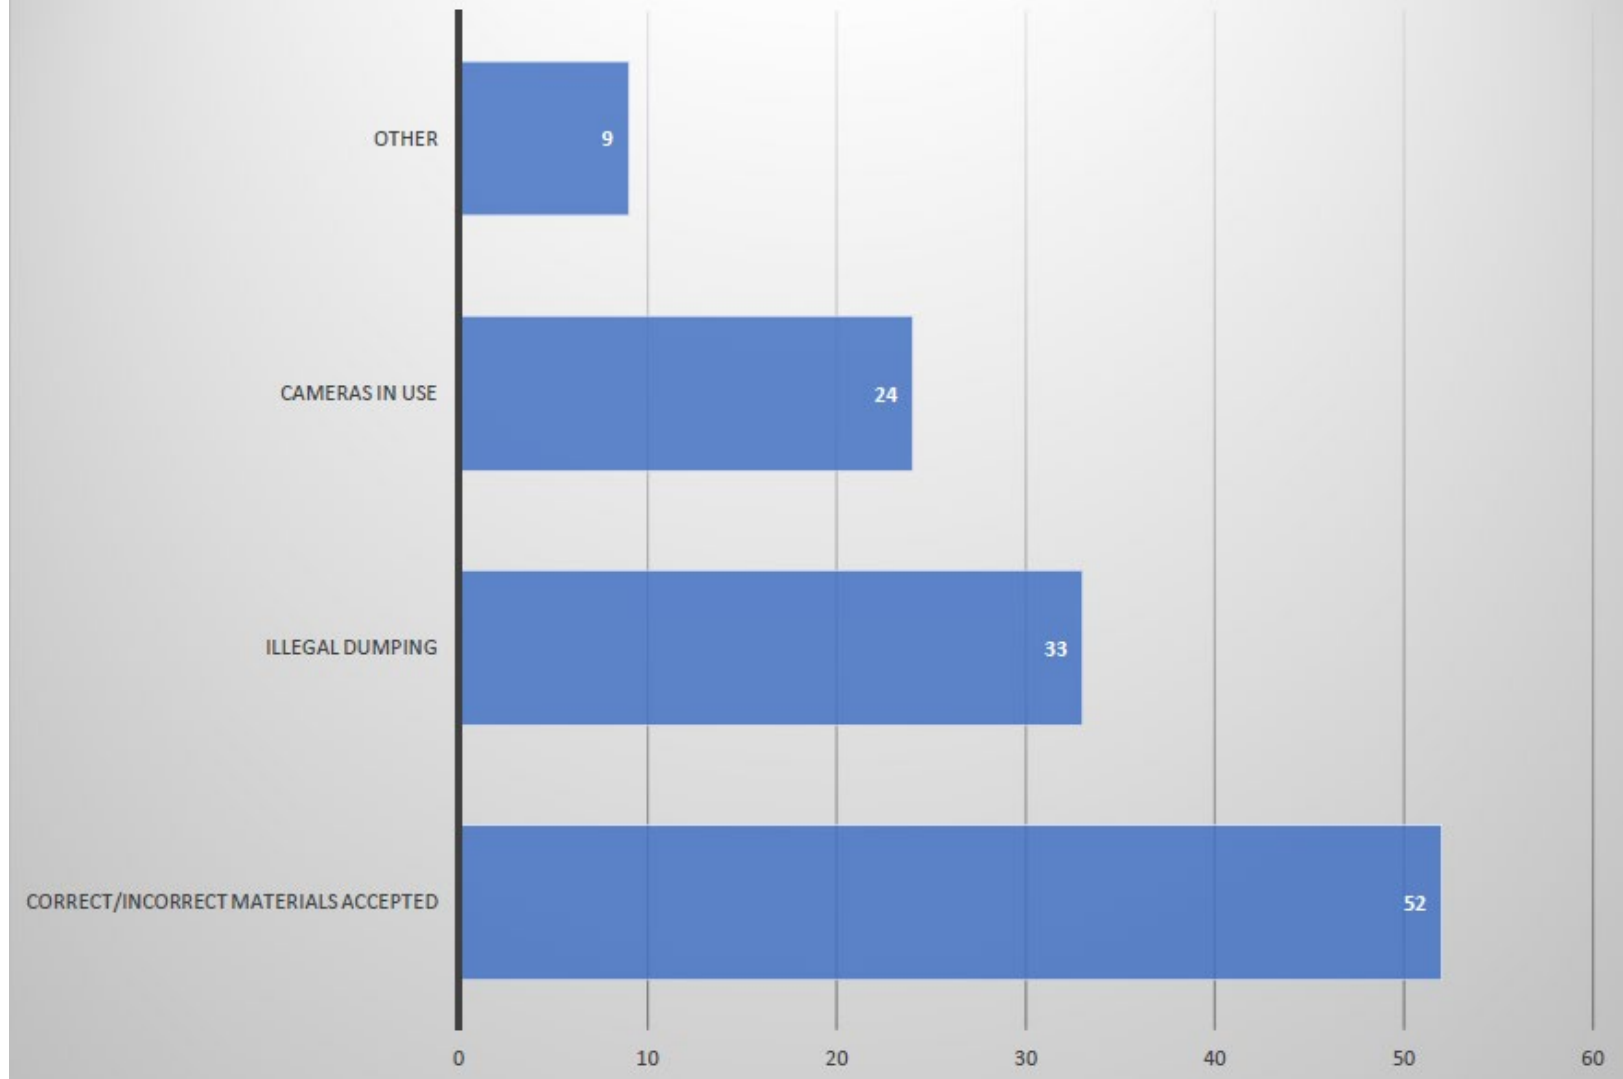

Drop Off Infrastructure Survey

- All 52 SWMDs responded
- Basic questions:
 - Types of containers
 - How are they Implemented
- Use of cameras
- Use of an enforcement program
 - Enforcement officer?
 - Dumpers prosecuted?

Locations with Most Contamination

Types of Signage Used

Next Steps

- Met with stakeholders December 8th
 - Waste/Recycling Haulers and Processors
 - Michigan EGLE
 - The Recycling Partnership
 - DEFA R&LP grant program
- Will identify communities and partners
- Hopeful for 2022 implementation
