

## 2022 Recycling and Litter Prevention Grant Program Community and Litter Grant

### Community and Litter Grant Eligible Projects

Local governments and nonprofits can receive funding to purchase equipment for the collection and processing of recyclables and construction and demolition debris. These organizations can also receive funding to implement litter collection events, outreach, and education. Tire amnesty programs, with a required minimum \$0.50/tire collection fee, are an eligible activity. Grantees have 12 months to complete the project.

# 2022 Recycling and Litter Prevention Grant Program - Community and Litter Grant

## Combination Grant Requests

A single application may include a combination of grant requests. For example, a litter collection event, drop-off containers, and outreach and education may be included in one application. Combination grant requests will be evaluated as a single application, not by the individual activities. A combination grant request is eligible if:

- the requested total amount equals \$100,000 or less;
- the request does not include C&DD, curbside recycling, or Material Recovery Facility recycling;
- KAB certification and KAB renewal may not be requested together.

## Allowable Costs

### Equipment and Signage

- Purchase of recycling equipment.
- Purchase or rental of equipment, tools, and supplies for litter cleanups.
- Safety and awareness signage.
